

MSHRC WORK DAY/TRAINING DAY
8:00 a.m., Saturday, March 1, 2008
Gate 4, Shelby Farms Park

Work Day will start at 8:00 a.m. We will be filling post-holes left by the removal of the interior fencing northwest of the pond and removing some brush and thorn bushes as well.

Training Day will follow with a land and water series adaptable to all skill levels.

Food and drinks will be provided.

So come on out and get your dog - and yourself - into shape for the upcoming Hunt Test Season!

Gate 4 is on Farm Road just southeast of the new Humane Society Shelter. Should you need additional information, or if you get lost, contact Ray Butts - 832-7503.

Will cancel for inclement weather.
